

CURRICULUM VITAE

Sean Niel S. Dizon

Purok 3, Sto. Domingo
Vinzons, Camarines norte
09610424462
saynoseanniel@gmail.com

SUMMARY:

Motivated and versatile developer with experience in both web and mobile application development, specializing in React, Node.js, Flutter, and MongoDB. Passionate about building efficient, user-focused solutions and continuously exploring new technologies—including robotics, where I enjoy integrating software with real-world systems. Adaptable and reliable, able to work effectively both independently and in collaborative team environments.

PERSONAL BACKGROUND:

DATE OF BIRTH:	November 3, 2003
PLACE OF BIRTH:	Vinzons, Camarines Norte
SEX:	Male
HEIGHT:	6'2"
WEIGHT:	69 kgs.
CIVIL STATUS:	Single
CITIZENSHIP:	Filipino
RELIGION:	Roman Catholic

EDUCATIONAL BACKGROUND:

TERTIARY:	Camarines Norte State College
-----------	-------------------------------

A.Y. 2022 - 2026

BS Information Technology

Daet, Camarines Norte

SECONDARY:

Vinzons Pilot High School

A.Y. 2020 - 2022

Vinzons, Camarines Norte

D.Q. Liwag National High school

A.Y. 2016 - 2020

Vinzons, Camarines Norte

PRIMARY:

Sto. Domingo Elementary School

A.Y. 2010 - 2016

Vinzons, Camarines Norte

TECHNICAL SKILLS

Technical Expertise & Development Skills

- Proficient in JavaScript, TypeScript, Dart, and Python, with hands-on experience in building modern web applications using React, Next.js, Node.js, Express.js, and RESTful APIs. Skilled in mobile development with Flutter and knowledgeable in integrating Firebase services. Experienced in working with databases such as MongoDB and SQL, including tools like Mongoose and JWT-based authentication. Adept in using Git, GitHub, VS Code, Postman, Socket.IO, and various state management solutions. Additionally, I have strong interest and practical experience in robotics, Arduino, and microcontroller-based projects, allowing me to bridge software with hardware systems. Strong problem-solving abilities and capable of working both independently and collaboratively in team settings.

Computer Hardware & Networking Skills

- Skilled in assembling, disassembling, troubleshooting, and maintaining computer systems and peripherals.
 - Hands-on experience configuring routers, switches, and basic network topologies.
 - Knowledgeable in setting up local area networks, cabling, IP addressing, and basic subnetting.
 - Able to identify hardware and software issues and perform effective corrective actions.
 - Conducted routine system checks, cleaning, and optimization to ensure stable device performance.
 - Experience installing Windows operating systems and configuring system settings and drivers.
-

PERSONAL CHARACTERISTICS

- Highly motivated and eager to learn new technologies
 - Detail-oriented with strong analytical and problem-solving skills
 - Adaptable and quick to grasp new concepts
 - Dependable, responsible, and consistently delivers quality work
 - Strong communicator with good teamwork skills
 - Capable of working effectively both independently and in group settings
 - Positive attitude with a passion for programming and robotics
 - Curious, proactive, and driven to take on new challenges
-

EXPERIENCES

Web Developer | Grand Eleva Prime Properties Co.

July 2025

- Developed a web application to manage and store client and transaction data efficiently.
 - Implemented features for adding, updating, and tracking client information and property transactions.
 - Utilized React.js for the frontend and Node.js with MongoDB for backend data management.
 - Ensured secure handling of sensitive client data and optimized database queries for performance.
 - Collaborated with stakeholders to gather requirements and deliver a user-friendly interface.
-
